Vocational Training Centers
Private Colleges

RE: ASSESSOR AND VERIFIER CONTINUOUS PROFESSIONAL DEVELOPMENT

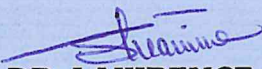

The above subject refers.

We wish to bring to your attention that some changes have been made in Competency Based Assessment Training Content as follows:

- a. Assessment requirements have been added
- b. Performance Criteria (PC) weighting has been added
- c. Continuous assessment tools are required to be developed based on PC weighting

For an assessor or verifier to be declared competent and be registered, they will need to demonstrate their ability to develop assessment requirements, PC weighting and assessment tools.

The purpose of this letter is to share with you updated Competency Based Assessment Training Content and also inform you that you are required to develop and submit to the Council assessment requirements, PC weighting and assessment tools for at least 2 units of competence via tools.cdacc@gmail.com by 17th January 2022.

DR. LAWRENCE GUANTAI, PhD
CEO/COUNCIL SECRETARY
